Trust yourself. Think for yourself. Act for yourself. Speak for yourself. Be yourself..

Reading

The book we are reading, Tuck Everlasting, displays several types of Similes, Metaphors and Personification. We took this opportunity to be creative writers. Each child wrote and illustrated an example of a Simile, Metaphor and Personification. They are simply fantastic and are on display in the 5th grade hallway.

Grades are updated every Wednesday.

Grades

All the grades are now entered into the computer. Feel free to check on-line if you are wondering, at any time, how your child is doing in class. If you do not have a password for My Backpack, contact the office and they can direct you to the right person that can help.

Math

We took our second math test yesterday over Lessons 6 - 11. The grades were amazing!! The test should be in your child's binder today. Take a second and look it over. Feel free to discuss your child's accomplishments with them.

Scrapbooks

A big thank you goes out to Mrs. Jackson, Mrs. Clark and Mrs. Harmon for helping us build our scrapbooks. It took some time, and they are gorgeous. Students received their first few photos and have already started placing them in their scrapbooks. Thank you to all the parents that donated money towards their child's scrapbook.

Your generosity is appreciated.
